

Covid 19 PCR and Medical Certificate for international travel

- Accredited by Japanese Embassy as a PCR centre in Australia
- Nasal and throat swabs will be taken at the nearby testing centre and sent for PCR
- Results will be available in 1-2 days
- Pathology results and Covid 19 Negative Medical Certificate are provided as PDF via email

Following a telephone consultation, we will send you a PCR pathology form and direct you to the nearest PCR centre in your area - anywhere across Australia.

The package fee is from \$250 including consultation, testing and the issuing of the Medical Certificate. Please note that as this is a private travel test, it is not covered by Medicare.

STEPS :

- 1, Please fill in the attached Application Form attached and email us back with the passport copy
- 2, Doctor will call you for at the scheduled appointment time
- 3, At the end of consult, please make a payment by credit card over the phone
- 4, We will email you the private pathology order form
- 5, Please attend the nearest testing centre within 72 hours of departure
