

## Covid 19 PCR and Medical Certificate for international travel to Japan

- Accredited and trusted by Japanese Embassy as a Medical Certificate Provider in Australia
- Nasal and throat swabs will be taken at the nearby testing centre and sent for PCR
- Results will be available in 1-2 days
- Pathology results and Covid 19 Negative Medical Certificate are provided as PDF via email

Following a telephone consultation, we will offer you an appointment at our clinic or direct you to the nearest PCR centre in your area. We have a private account with Sonic and Healius, which are the 2 largest pathology providers in Australia.

The package fee is from \$250 including consultation, PCR testing and the issuing of the Medical Certificate. Please note that as this is a private travel test, it is not covered by Medicare.
